

The Dinner Table

San Mei Gallery Fundraiser

Online display: 1 - 31 Dec

Physical display: 8 - 23 Dec

Everything is for sale!

During the month of December, San Mei Gallery will be hosting **The Dinner Table**, the second edition of our winter fundraiser. This year we invited a number of artists to make an object for the dinner table, or about the communal experience of being at a dinner table!

Here you will find the perfect presents for all your loved ones, for Christmas, birthdays and special occasions! Candle holders, vessels, table cloths, napkins, plates, candles, table sculptures and much much more.

The Dinner Table will take place both physically and online across 1-31 December, with an online sale of the artworks on our website across the month, and a physical installation of all the artworks and objects, which will be on display and available to purchase in the gallery from 8-23 December.

Earlier this year San Mei Gallery became a CIC*. The income generated by this fundraiser will directly support the production of our 2022 exhibition and performance programme, alongside future public funding which we will finally be eligible for. All the sales will be split between the artist and San Mei Gallery, aiming to support both the artists and makers involved in the fundraiser as well as the artists in our upcoming programme.

* A CIC is a special type of limited company which exists to benefit the community rather than private shareholders.
